

Accounts Payable Resources

Accounts Payable Now & Tomorrow is a monthly print publication. It contains the most current expert advice including practitioner surveys and interviews, the latest changes in all related specialty areas such as T&E, 1099s, sales and use tax, OFAC, VAT, electronic payment alternatives etc. In addition to commentary from our editorial director, Mary S. Schaeffer, it features a changing lineup of expert columnists, short book reviews, and the latest industry updates. Delivered by e-mail only.

- ◆ Cost \$329 for one year;
- ◆ \$559 for 2 years.

Accounts Payable: Advanced Issues Seminar A one-day seminar providing the most current business intelligence needed to run an efficient and regulatory-compliant accounts payable operation. This session was created by CRYSTALLUS, Inc. in partnership with the IAPP. Sessions are planned for Kansas City and New York with additional sessions to be added for both 2011 and 2012. See <http://ap-now.com/advancedaccountspayableseminar.html>

- ◆ \$389 per person; \$339 for paid newsletter subscribers

1099 Year End Seminars This seminar will provide you with the information you need to successfully complete year-end 1099 reporting. Hands-on exercises in this seminar will help you understand what your organization needs to do to implement best practices and help you to have better, more accurate information for 1099 reporting. Put best practices for 1099 reporting into place now! See <http://www.ap-now.com/1099seminars.html> for details, locations and dates. ◆ \$379 per person

AP Webinars and CDs Unless noted, each CD or webinar includes a 50-minute lecture followed by a 10-20 minute Q&A period. See website for CD titles and for our continually updated webinar schedule. Fill in name of CD and/or webinar on the form on the following page. Webinars are NASBA and IAPP CPE qualifying events, unless otherwise noted. See <http://www.ap-now.com/apcds.html> for titles available

- ◆ Each costs \$189; \$289 for the webinar and CD, if ordered at the same time

IAPP 2008 Benchmarking Survey This report has been developed to assist AP professionals in benchmarking your departments' performance against your peers using a number of metrics including invoice processing efficiencies and costs, technology adoption, customer satisfaction and vendor discount tracking. ◆ \$39.95 and delivered electronically to the email address provided on the form.

Travel & Entertainment Advice T&E represents the second largest controllable expense for most organizations. In the current tight environment many are adopting a policy of zero tolerance for games and fraud. These resources will help.

- ◆ Travel & Entertainment Best Practices to Ensure Compliance with IRS Regs and Prevent Fraud CD \$189; T & E Best Practices Book \$59.95 (normally \$75)

The Do-It-Yourself Accounts Payable Consultant Handbook. No one knows your organization better than you do. That's why you are in the best position to make process improvements for your own operations. But, sometimes you are too close to identify the problem. That's where The DIY AP Consultant Handbook comes in. It provides you the added perspective to see your operation clearly. It effectively lets you take that giant step back so you can look at your accounts payable function objectively. ◆ An AP Now electronic publication \$79.95
